

The rate of each of the articles constituting the several diets mentioned above should also be given; milk in imperial pints per rupee and other articles in pounds and ounces per rupee. Milk to be freshly drawn in the Hospital if practicable and to be tested with the Lactometer and by other tests, if necessary, and approved by the Medical Officer.

MAHOMED USMAN,

District Medical and Sanitary Officer.

GENERAL HOSPITAL, MYSORE.

Notice is hereby given that sealed tenders will be received at the General Hospital in Mysore up to 10 A.M., on Monday the 12th December 1910, by the District Medical Officer, Mysore District, for the supply, by contract, of all articles of diet, etc., (as per list annexed) required for the use of the inmates of the General Hospital, Mysore, and Her Highness the Maharani's Hospital, from 1st January 1911 to 31st December 1911, both days inclusive.

2. No tender will be received after the date above mentioned.
3. Tenders to be superscribed separately "Tender for the supply of provisions for the General Hospital, Mysore," and "Tender for the supply of provisions for Her Highness the Maharani's Hospital, Mysore."
4. No tender will be received unless accompanied by a deposit of Rs. 400 in cash, currency notes or Government bonds for the General Hospital, and Rs. 200 for the Maharani's Hospital.
5. Tenders will be opened by the District Medical Officer, Mysore District, at the General Hospital, Mysore, on the date and hour above named, in the presence of such tenderers as may choose to attend.
6. All tenders must specify the rates at which the articles can be supplied in pound weight or in seers per rupee as the case may be.
7. The quantities stated below are not guaranteed.
8. The District Medical Officer does not bind himself to accept the lowest or any tender and he may reject any tender without assigning any reason for so doing.
9. The deposit of the successful tenderer will be retained and will be forfeited if he fails to execute the contract bond or to furnish security to the amount of Rs. 400 for the General Hospital and Rs. 200 for the Maharani's Hospital, in cash or Government bonds within three days from the date of the acceptance of his contract being made known to him.
10. No advance of cash will be made to the contractor. Payment for the articles supplied will be made by the District Medical Officer as soon as possible after the 5th of each month on producing the necessary accounts and vouchers.
11. Store rooms will be made over to the contractor, in which he can keep all non-perishable articles, of which not less than one month's supply must always be in store. Perishable articles such as vegetables, meat etc., must be at the General Hospital, Mysore, by 7 A.M. daily. For the supply of milk, the cows to be milked in the premises, should be ready at 6-30 A.M. and 5 P.M. every day, and should also be led in and out of the compound with a string and not allowed to graze in the compound. The contractor is liable to be fined for infringement of this rule. All articles except those mentioned otherwise should be of the 1st sort, and any article of diet rejected should be replaced within an hour. The contingent articles such as bazaar medicines required for one full week must be stored beforehand.
12. This contract should not be sublet.
13. A fine not exceeding Rs. 40 will be levied at the discretion of the District Medical Officer, for any infringement of the stipulations of the contract or for the supply of inferior articles; and if frequently violated, the contract may be cancelled and the security confiscated to the Government.
14. The decision of the District Medical Officer to be final in all questions of infringement of contract.
15. The contracts will be subject to the confirmation by the Senior Surgeon Mysore Government, who reserves to himself the right of rejecting all or any of the tenders.
16. In case the contractor, after taking the contract, is not willing to carry out his agreement, he shall give at least a month's notice and shall forfeit the security money to Government.
17. The contractor will also be bound to make good to Government any loss which may arise from his failure or by Government having to purchase the articles in the local market at higher rates than those contracted for.

The contractor will be bound on emergencies, to supply any other articles that are not mentioned in the annexed list at the rates sold in the market and at such short notice, as may, under circumstances, be given to him.

Abstract notification dated 12th November 1910.

The attention of the public is invited to the notification published in page 1192, Part II of the *Mysore Gazette* dated 10th November 1910.

G. S. DAVID,
District Medical Officer

BANGALORE CITY MUNICIPALITY.

No. 1208, dated 12th November 1910.

Notice is hereby given that sealed tenders will be received up to 26th November 1910, by the President, Bangalore City Municipality, for supplying metal and gravel for the roads noted below.

2. Each tenderer must definitely state the rate at which the material would be collected, carted and stacked in standard heaps on roadside. The tender may be for one or more roads.

3. Each tender must be accompanied by a deposit of Rs. 100 (in cash or currency notes) as earnest money and be superscribed, "Tender for supplying materials for roads."

4. The final acceptance of any tender rests with the President, City Municipality, who does not bind himself to accept the lowest or any tender.

5. The name of the successful tenderer whose tender has been accepted will be posted on the notice board in the Municipal Engineer's office in due course.

6. No enquiries regarding the acceptance or rejection of a tender will receive any attention.

7. The successful tenderer will be required to execute a bond within a week after the acceptance of his tender. In default, the tenderer will forfeit his earnest money and his contract will be considered null and void. The collection should be completed within three months from the date of the said bond.
